

Powermaxx PowerPoint 24 – “God’s Unchanging Purpose”

• “God’s plans may change, but His purpose never does”

- God’s purpose is eternal (Eph 3:11)
- The ‘original sin’ did not change God’s original purpose
- God will literally move heaven and earth to achieve His original purpose!

• “God’s plans are always to fulfil His purpose”

There are many plans in a man’s heart, nevertheless the LORD’s counsel—that will stand.

(Prov. 19:21)

- Knowing God’s purpose is the key to understanding God’s plans
- The plan of salvation is God’s contingency plan
- Jesus came to seek and to save ‘that’ which was lost (Luke 19:10)

• “God fulfils His purpose on the earth through man”

- Gen 1 & 2 gives us God’s original blueprint

Then God said, “Let Us make man in Our image, according to Our likeness; let them have dominion...”

(Gen 1:26a)

- We see ‘product’, ‘design’, and ‘purpose’ in God’s creation of mankind.
- The plan of salvation was to restore man back to where he had fallen from.

• Restoration to Original Specification

...until the times of restoration of all things...

(Acts 3:21b)

- God’s plan of salvation and restoration is a ‘re’ work;
 - Redemption (buy back)
 - Return (come back)
 - Restore (things broken)
 - Redeem (lost time)
 - Repent (change mind)
 - Reconcile (become one again)
 - Receive (have again)
 - Rejoice
 - Remake
 - Remind
 - Renew
 - Repay
 - Resurrect
 - Reveal
